Who We Are

The Bakehouse - a space of makers, creators, thinkers, where the community comes together under one epic roof in Stratford E20.

Abundance, artisanal craft and sheer delight in getting just that right crème pate to sponge ratio is what you'll find inside the Bakehouse.

Come and take a seat at the Baker's Bar, where with a coffee and pastry in hand, you can observe the baking team, in real time, craft every item by hand, with love.
